2010-2011 APPLICATION FOR CREDENTIAL RECOMMENDATION

Multiple and Single Subject Credentials

**Directions to apply for your Credential
Preliminary, Internship and Clear credentials**

All California educational credentials are issued by the California Commission on Teacher Credentialing (CTC). Yours will be issued by CTC on the basis of a recommendation from NDNU.

Summary:

1. Submit the attached NDNU application to NDNU Credentials Office. Pay the audit fee to the Business Office
2. Submit any additional required documentation
3. Complete CTC Application and fee (this will be emailed to you at the email address you put on this form)

Detail:

1. **This Form:** Submit completed and signed form to the Credentials Office. You may fax (650-508-3457) or email form to thanna@NDNU.edu.
NDNU Audit Fee: Pay the required NDNU \$35 audit fee to the business office in person (106 St. Mary's), by phone (508-3565) or on-line (www.NDNU.edu) If you remit in person, have the business office stamp the box in section 2. If you remit by phone or online, the credentials analyst will confirm with the business office. Failure to remit fee or to clear any business office holds will result in the business office blocking the submission of your credential recommendation. Exempt from fee: 1) Internship credentials 2) candidates who have earned a non-internship prior credential at NDNU 3) Candidates who are also enrolled in the masters program, and who must complete degree audits.
2. **Documentation:** After you have completed the program and all requirements, we will assemble all your documentation and submit a recommendation packet electronically to the CTC. **You will be notified of any missing documentation Exams:** If, at the testing center, you identified NDNU to be a recipient of your results, we have them. If not, you must submit results to the credentials office. **Courses:** the Credentials Analyst will get the NDNU transcripts the CTC requires. Any course substitutions (based on experience, or on courses taken elsewhere) need a course substitution form signed by your advisor and relevant official transcripts in your credential file. **CPR card:** Copy the front and back of your CPR card verifying completion of Infant, Child, and Adult CPR and submit to the credentials office.
3. **CTC Application and fee:** The commission will send you an email at the address you identify on the attached form, which will notify you that you have been recommended, ask you to complete a CTC application form, and request an application fee of \$57, to be submitted electronically. This email will have the NDNU Credential Analyst's name in the "from" line and the "subject" will read: "[NOTICE] Application for New Teaching Credential", but it is sent to you by the CTC. Although it is counter-intuitive, electronic application forms are only emailed by the CTC upon receipt of recommendations and cannot be completed before. **If you do not complete this step the CTC will not issue you a credential.**
CTC Processing After you submit the CTC application and CTC fee, you will receive email verification from the CTC. You may print this to use as credential application verification if your employer needs one. In 10-14 days you will receive your credential from the CTC by email. Your "official" credential is on the CTC website, which is available for employers to check.
4. **[For Internship Credential Applications only]: CTC Certificate of Clearance with LiveScan fingerprints:** You must have your fingerprints cleared **through the CTC** to be eligible for a credential. To check if you have been cleared by the CTC go to www.ctc.ca.gov , and click the red tab "CA educator" then "online credential search and application status". If you have a credential or "certificate of clearance" you have been cleared. If not, follow the procedures listed here: [How to apply for a certificate of clearance](#). You may have done fingerprints before for private school or a public school district, but the CTC requires fingerprints to be submitted and cleared through the CTC in order to issue credentials.
