This Handbook has been compiled to serve as a guide and source of information for student teacher/interns, supervisors, and public and private school personnel who are participating in Notre Dame de Namur University’s Multiple Subject Credential Program.

The Multiple Subject Credential Program at Notre Dame de Namur University is designed as a concurrent program to provide candidates with a philosophy of education that encompasses theory and practice. It is the role of the University Director to advise and assist the students so that these requirements and needs are met, which will then enable students to become confident, productive, reflective, and effective educators. Candidates can complete the Credential program in one calendar year.

The program is largely dependent upon the cooperation and support of master teachers and administrators in the public and private schools with whom we have contracts. Fundamental to its success is a thorough understanding of the role to be played by each of the participating members—the University Supervisor, the Master Teacher, the Administrator, the Intern Liaison, and the Student Teacher/Intern. Each assumes certain responsibilities, not only to other members, but also to the profession as a whole. Foremost among these is the responsibility for the preparation of well-qualified teachers.

Suggestions from master teachers, administrators, intern liaisons, and student teachers/interns have been incorporated in the contents of this Handbook. We invite further suggestions toward the improvement of our programs.

We have revised our program to incorporate the new teacher performance expectations and Performance Assessment for California Teachers (PACT) adopted by the Commission on Teacher Credentialing into the credential coursework. In addition, there is an accompanying handbook which details new requirements regarding teacher performance assessment and application for credential.

Notre Dame de Namur University extends a very sincere note of gratitude to the superintendents, principals, master teachers, and intern liaisons that have made student teaching/intern teaching a successful, professional experience for Notre Dame de Namur University’s teacher candidates.

Robert Ferrera, Ed.D.  Caryl Hodges, Ed.D.
Director, Multiple Subject Credential Program  Dean
I. INTRODUCTION

A. Mission Statement

Founded upon the values of the Sisters of Notre Dame de Namur and rooted in the Catholic tradition, Notre Dame de Namur University serves its students and the community by providing excellent professional and liberal arts programs in which community engagement and the values of social justice and global peace are integral to the learning experience. NDNU is a diverse and inclusive learning community that challenges each member to consciously apply values and ethics in his or her personal, professional, and public life.

B. Vision Statement

Notre Dame de Namur University will be recognized in the San Francisco Bay Area as a leader in integrating community engagement into high quality academic programs. NDNU’s programs will be widely known for their innovative synthesis of liberal arts learning, professionally-oriented learning, and core values.

C. Core Values

Notre Dame de Namur University was founded by the Sisters of Notre Dame de Namur and the values espoused by the Sisters continue to inspire the University. The Core Values expressed here are closely linked to the Hallmarks of a Notre Dame de Namur Learning Community developed by the Sisters in collaboration with NDNU and other SND learning communities. These values should be considered in the context of the Hallmarks.

The Core Values are listed in alphabetical order. There is no ranking implied. Commitments following each value elaborate rather than define the values.

1. Community

• A commitment to build a diverse, collaborative, open, and student-centered community that holds itself and its members accountable to learn, serve, work, and grow together in partnership.
• A commitment to share the responsibility of governance and to create transparency and accountability in our decision-making.

2. Diversity

• A commitment to celebrate, embrace, value and learn from the voices, perspectives, and experiences of all our community members.
• A commitment to ensure that the University offers its students, faculty, and staff of diverse backgrounds opportunities that are accessible and fair to all constituents.
• A commitment to seek and respect diverse points of view in the academic arena.
3. Excellence

- A commitment to excellence in every academic and professional pursuit.

4. Integrity

- A commitment to honor the sacredness and dignity of each person and the development of the whole person through our collaborative practices.
- A commitment to match our actions and our words.

5. Justice

- A commitment to enhance the application of ethics, justice, and peace at the personal, community, and global levels.

6. Learning

- A commitment to innovative learning of what is necessary for life, both as a directed process and as a lifelong practice.
- A commitment to the search for truth, knowledge, and meaning.

7. Service

- A commitment to community-based learning and other forms of service.

We view the teaching-learning process as student-centered, cooperative and transactional. Learning, accomplished by the learner, must be active. Teaching is a multifaceted role – that of observed, model, encourager, facilitator, presenter of direct instruction, among others. Teaching and learning are integrative, utilizing the variety of resources which surround us, personal, cultural, and technological. Finally, assessment reflects as much as possible the use to which learning is put in the world outside school.

In keeping with Notre Dame de Namur University’s Mission Statement, we commit ourselves to building a student-centered environment which reverences the richness of diversity in the human population. We value each student as a person, respect each student as a learner, and appreciate each student as a rich resource for other learners. As teachers, we will ensure the right to equal access to challenging learning opportunities.
II. MULTIPLE SUBJECT CREDENTIAL PROGRAM OVERVIEW

Notre Dame de Namur University’s Multiple Subject Credential Program is approved by the California Commission on Teacher Credentialing as it complies with Senate Bill 2042. The Multiple Subject Credential authorizes the holder to teach multiple subjects in a self-contained classroom. Instruction in this situation occurs most frequently in elementary and early childhood education. A teacher who is authorized for Multiple Subject instruction may be assigned, with his/her consent, to teach, any self-contained classroom—preschool, kindergarten, grades 1 to 12 inclusive, or in classes organized primarily for adults (Ed. Code 13129). Please Note: Graduate students are eligible for the University’s Student Medical Insurance Plan. Please contact the office of Student Services for further information.

The Multiple Subject Credential program at Notre Dame de Namur University provides student teacher/interns the opportunity to achieve competence through participation in three areas:

A. Professional Coursework

1. Participation in all phases of group class work.
2. Development of individual and group projects as designated in course requirements.
3. Completion of reading assignments and written papers on those topics deemed necessary and appropriate.
4. Presentation of oral assignments as required.
5. Passing of mid-term and final examinations.

B. Student Teaching

1. Observation of different teaching - learning environments, teaching strategies and styles.
2. Preparation, teaching, and evaluation of teaching/learning experience.
3. Continuous conferencing with master teacher and supervisor regarding strategies, material, preparation, and presentation.
4. Observation and reaction by Notre Dame de Namur University supervisor.
5. Written appraisal of growth in teaching by the master teacher and the supervisor.
6. Participation in workshops and in-services offered by the school or district where student teaching is taking place.

C. Seminars and Orientation

1. First semester student teacher/interns are REQUIRED to attend orientations. No excuses.
2. Attendance at weekly seminars is required.
3. The topics of lesson planning and classroom management are the foci of the seminar.
4. Individual conferencing with resource persons who can be of assistance at both Notre Dame de Namur University and the candidate’s school will be arranged.
III. ADMISSION TO THE CREDENTIAL PROGRAM

Each prospective candidate for a teaching credential must hold a Bachelor’s Degree before filing an application for admission to graduate standing. This application should be sent to Graduate Admission, 1500 Ralston Avenue, Notre Dame de Namur University, Belmont, California 94002. Any questions, please contact Admissions at 650-508-3600.

A personal interview with the Program Director is required to assess the applicant’s suitability for teaching.

A candidate for a teaching credential must have at least a 2.5 cumulative grade point average for admission to graduate standing and must maintain a 3.0 grade point average while in the program. Occasionally, a student with a grade point average less than 2.5 is considered for acceptance if the overall assessment indicates strong potential for success.

IV. ACCEPTANCE PROCEDURE FOR THE CANDIDATE

1. Obtain application materials from Graduate Admissions or online application.

2. Return the completed application materials to Graduate Admissions.

3. Interview with the Director of the Multiple Subject Credential Program. The purpose of this interview is to explain the Multiple Subject Credential Program, to discuss the student’s timeline and develop a possible program plan and to allow the director to become acquainted with the applicant.

4. When the above steps are complete, a notice indicating acceptance status will be mailed.

5. At this time, the applicant should schedule an appointment with the Credential Analyst to review credential requirements and receive the information for the Certificate of Clearance before beginning student teaching.

V. OFFICE HOURS AND ACADEMIC COUNSELING

The School of Education and Leadership office is open from 9:00 a.m. to 12:30 p.m. and 1:30 p.m. to 5:00 p.m. Monday through Thursday and Fridays from 9:00 a.m. to 12:30 p.m. and 1:30 p.m. to 4:00 p.m. Academic counseling is provided by the Multiple Subject Program Advisors.
VI. PROGRAM REQUIREMENTS

The following requirements are part of the qualifications for a recommendation for the Preliminary Multiple Subject Teaching Credential, and are intended to prepare you for success in the teaching profession.

Requirements necessary before a student is allowed to student teach or intern:

1. Completion of an undergraduate degree. 
   Submit: Official transcript showing a baccalaureate or higher degree.

2. Field Experience. Document a field experience of at least forty (40) clock hours with students in a school setting. Submit: Pre-Acceptance of Field Experience form with any applicable documentation as indicated on the form.

3. Satisfy the Basic Skills requirement. To meet this requirement, verify one of the following:
   a. Passage of the California Basic Educational Skills Test (CBEST); or
   b. Passage of CSET Multiple Subjects plus Writing Skills (subtest IV), or,
   c. Other Options: Pass the basic skills exam from another state or CSU placement exams. See www.ctc.ca.gov/credentials/leaflets/cl667.pdf for details.

4. Passage of the California Subject Examinations for Teachers (CSET) prior to student teaching. Submit: A front/back copy of your official CSET test results or preferably, request Notre Dame de Namur University to be included among the institutions to receive your score results.

5. Successful completion of an approved course or examination on the United States Constitution. To meet this requirement, verify one of the following:
   a. Bachelors degree from a California State University campus or
   b. Two semester or three quarter unit approved university course in the provisions and principles of the U.S. Constitution, or

6. Completion in CPR training that meets the standards established by the American Heart Association or the American Red Cross for infant, child and adult. Provide a copy of the front/back of the card.

7. Submission of current negative TB test results to the Credential Analyst.

8. Certificate of Fingerprint Clearance from the California Commission on Teacher Credentialing (CCTC).
**Credential Requirements:**

All the requirements listed above plus the following must be met in order to qualify for the credential:

7. **Passage of the Reading Instruction Competence Assessment (RICA).** Submit: A front/back copy of your official RICA test results or preferably, request Notre Dame de Namur University to be included among the institutions to receive your score results.

8. **Successful completion of the Performance Assessment for California Teachers (PACT).** PACT will be completed as part of your student teaching or internship experience. Candidates will submit one teaching event for PACT in elementary mathematics; one task in elementary science; one task in elementary history-social science; and one task in elementary literacy. **Please Note:** Candidates enrolled in the Multiple Subject program are subject to a one-time $250 teaching performance assessment fee regardless of when the candidate began the program. For more information on PACT, see your seminar instructor or [www.pacttpa.org](http://www.pacttpa.org).

All documents must be on file in the Credential Office.

For any questions regarding any of the requirements listed above, please contact the NDNU Credentials Office at (650) 508-3545 or credentials@ndnu.edu.

**VII. REQUIRED COURSEWORK AND FIELD EXPERIENCE**

Notre Dame de Namur University’s Multiple Subject program is post-baccalaureate and requires a full fifth year of study. The concurrent program offers students the opportunity to complete the professional coursework and two student teaching experiences within a calendar year. Multiple Subject Credential candidates must complete one semester of student teaching at a lower elementary grade and one semester at an upper elementary level, unless they hold an intern contract (please see section on Intern Teaching). This may be changed, with the approval of the Program Director.

**A. Coursework Requirements**

Transfer students must complete a minimum of 15 units if they desire NDNU recommend their candidacy to the Commission. Those units are to be determined by the Program Director and the Dean.

B. Student Teaching Requirements

The student teacher is assigned to two semesters of field experience in cooperating school districts as pre-arranged by Notre Dame de Namur University. The assignments are made by the Placement Coordinator for student teachers. At least one assignment will be in a multicultural setting which has English Language Learners (ELL). Student teachers usually will be assigned student teaching for one semester in classes at the primary level and a second semester to classes at the intermediate level. Student teacher assignments ordinarily will be at different schools with pupils of varying ethnic and socio-economic backgrounds. However, an exception may be made under certain situations with the approval of the program director. STUDENTS WHO ARE REQUESTING A PRIVATE SCHOOL MUST MAKE SURE THE SCHOOL IS WASC ACCREDITED IN ORDER TO MEET THE STATE REQUIREMENTS.

The Notre Dame de Namur University student teacher seminar is four (4) graduate units per semester.

If a student teacher has been in his/her initial assignment for a reasonable time and student master teacher, and supervisor feel that the assignment is not appropriate, the supervisor will initiate the proper steps be taken with the University Placement Coordinator for a change in assignment. At all times, changes in assignments or resolving differences between master teacher and student teacher should involve all parties concerned: student teacher, master teacher, principal (if necessary), University Supervisor, and University Program Director.

Duration of Student Teaching Placements

Please Note: Because the start of school varies, all teacher candidates are to report to their assigned schools as soon as possible. If school is not in session, this time may be used to become familiar with the school policies and to assist the master teacher and school in preparation for the opening. The student teacher is to remain in the assignment for the full (public school) semester. This is a CTC requirement.

In the absence of the master teacher a student teacher may assume responsibility for the teacher as a substitute if requested by the school district. Occasional short-term service as
a paid substitute teacher may never conflict or interfere with coursework in the Credential program. When a candidate is asked to serve as a paid substitute for the master teacher, he/she should inform the Program Director. Application for an emergency permit credential is made through the Certificated Human Resources office of the individual school district. This policy reflects the School of Education and Leadership’s mission as a collaborative partner with local school districts and takes into account the current shortage of qualified substitute teachers in many areas.

C. Intern Teaching Requirements

Notre Dame de Namur University has a CTC-approved Intern option in the Multiple Subject program. This option is open to students who have demonstrated that they are qualified to be fully responsible for taking over a class without a master teacher, and have met all pre-service requirements (experience, courses, exams, and statutory requirements) for the internship credential. Although paid internship opportunities are rare, they do occasionally occur. The Placement Coordinator does not search for internship placements. If you are offered a paid internship opportunity, you must secure the approval of the Placement Coordinator and the Program Director, and apply for a California Commission on Teacher Credentialing (CCTC) university internship credential via the NDNU Credentials Office. The Program Director reserves the right to make modifications on qualifications for internships in certain circumstances. The requirements for the credential include all of the requirements for student teaching. See Student Teaching Clearance Checklist form (Appendix C) plus:

1. Submission of an official offer of employment on district or private school letterhead from a public school district or WASC-accredited private school with which NDNU has an internship agreement.

2. Verification of U.S. Constitution by exam or coursework. See Program Requirements (page 5) for the three methods to meet this requirement.

3. Completion of required pre-service coursework, as follows:

Intern Teaching - District Personnel and Hiring School Responsibility

1. To notify the Placement Coordinator that a school is desirous of hiring a credentialed intern.
2. To offer an internship contract after consultation with the Placement Coordinator. The intern is responsible for applying for the position and arranging for the intern credential through the Credential Analyst.
3. Unusually difficult classes are not acceptable for the intern experience.
4. To provide the intern with orientation to the school’s policies and procedures with the same thoroughness that is provided to all other teachers.
5. To facilitate an intern/department staff relationship that will ensure guidance in matters of curriculum and resources.
6. To provide the intern with an on-site intern liaison. The University supervisor will provide a form for this purpose. The form will include the name of the designated liaison and requires the liaison’s signature. The liaison is expected to observe the intern periodically and to provide needed assistance.
7. To include the intern in the school or district’s program of in-service for new teachers.
8. To provide the intern with adequate teaching materials to accomplish his/her teaching responsibilities.
9. To advise the intern candidate that he/she must apply for an internship credential through the Notre Dame de Namur University.
10. To collaborate with NDNU to supply the requisite 144 hours of supervision and support per year to interns plus additional ELL support as necessary.

All other requirements as noted in this Handbook apply to intern teachers as well as student teacher/interns.

Intern Teaching - Notre Dame de Namur University Staff Responsibility

1. To determine the professional readiness of the candidate to serve as an intern.
2. To determine whether or not the candidate’s first semester of student teaching qualifies them for the proposed internship.
3. To monitor the progress of the intern through classroom observations and evaluations by the University supervisor.
4. To share observations and coordinate ideas for special assistance with a designated administrator at the assigned school. An Intern Orientation Agreement form is provided for this purpose. The University supervisor is responsible for grading the performance of the intern.

5. To make sure students have completed the coursework to meet the pre-service course and statutory exam requirements for interning in a public school setting.

VIII. RESPONSIBILITIES OF STUDENT TEACHER/INTERN

1. Student teachers/interns must meet NDNU’s standards for professional behavior.

2. Student teachers/interns will arrive at school and leave the school premises at a time agreed upon by the principal, master teacher and supervisor.

3. Student teachers/interns are expected to attend a weekly seminar that is directly related to the student teaching/intern experience. Attendance and participation will be considered when the grade is given.

4. Student teachers/interns will dress appropriately and will maintain a satisfactory personal appearance.

5. The student teacher/intern will be excused from his/her student teaching assignment whenever there is a conflict between a required University course and the student teaching assignment. All such conflicts are to be discussed with the University supervisor and the master teacher prior to the conflicting date.

6. The student teacher/intern will cooperate fully with the rules and regulations of the master teacher, the school, and the district.

7. Items of school law which refer specifically to their duties will be presented to the student teacher/intern at one of their seminars. Student teachers/interns are advised to inquire about the local school building rules that they will be expected to observe.

8. If, for any reason, the student teacher/intern is unable to keep the pre-arranged schedule, he/she should call the school so that both the principal and master teacher are notified. The student teacher/intern is responsible for notifying their supervisor.

9. Student teachers/interns are cautioned that all information, both written and verbal, with which they come in contact during their work in the school, is to be considered confidential.

10. Student teachers/interns are advised to arrange with their University supervisors and master teachers for regular conferences at times when pupils are not present.

11. Student teacher/interns should give copies of their schedules of University classes to the master teacher and supervisor.
12. The student teacher/intern is not to assume the responsibility of taking students off campus for any activities.

13. The student teacher/intern is responsible for making an appointment with the Credential Analyst at the beginning of his/her last semester and to follow through with the credential audit process at the end of the program.

14. Ordinarily, a student teacher will teach all-day 2 days per week and 3 half-days per week. Student teachers will also be teaching during two solo weeks within each semester. The following are options for configuring the two solo weeks:

   - 2 weeks consecutive
   - 2 days, then 3 days then 5 consecutive
   - 1 day, then 2 days, then 2 days, then 5 consecutive

   **Note:** The two weeks do not necessarily need to be consecutive. The following guidelines must also be incorporated:

   - 5 consecutive days must include a Monday and a Friday (e.g. Thursday, Friday, Monday, Tuesday, Wednesday or Monday-Friday)
   - 1 solo day must occur prior to the midterm evaluation
   - University supervisor must approve the solo days/weeks schedule

15. Student teacher/interns are **not authorized** to administer over the counter or prescription medication to children in school settings at any time.

**IX. FIELD EXPERIENCE GUIDELINES**

**Phase I - Observation**

A strong observation period for student teachers is essential. It is recommended that the observation period be two or three weeks **based on the experiential background of the student teacher**. This period should include observation of:

A. Classroom Management

   - Establishing classroom standards
   - Communicating with children
   - Preventive discipline
   - Handling discipline problems
   - Follow through with consequences
   - Classroom procedures
   - Setting the educational environment
   - Procedural details, i.e., seating arrangements, access to supplies
B. Curriculum and Instruction

- Curriculum Guidelines/Content
- Lesson planning and unit planning, including PACT lessons
- Effective teaching of the state-adopted academic content standards
- Ability to meet the Teaching Performance Expectations
- Adapting to individual differences
- Assessment and evaluation

C. Total School Awareness

- School facility
- School community
- Support programs
- Faculty

Phase II – Guided Teaching Practice

A. Initial Practice

- Small group instruction
- Content area in which student teacher feels most knowledgeable
- Student teacher responsible for planning
- Student teacher assumes some administrative duties, i.e., attendance, lunch count, etc.

B. Extended Practice

- Teaching large group
- Assuming responsibility for evaluating, grading, and discipline
- Reflecting evaluations from master teacher in improving each day’s lessons
- Communicate with master teacher on an on-going basis

Phase III - Independent Teaching Experience

During this phase, the student teacher will have full planning and teaching responsibilities monitored by the master teacher and the NDNU Supervisor.

Master teacher, supervisor, and student teacher/intern will communicate with each other on *Evaluation of Student Teacher/Intern Teacher Effectiveness* form.

During the initial lessons, the Master Teacher should remain in the room. As the student teacher takes increased control, the Master Teacher should be absent a portion of the period, then later for whole periods; however, the student teacher should always know how to locate the Master Teacher in case of an emergency.
X. EVALUATION

1. The Master Teacher and the NDNU Supervisor will provide the teacher candidate with regular feedback concerning his/her progress. The NDNU Supervisor is required to complete a Teacher Observation form (see Appendix A) report at each visit and present one copy to the student teacher/intern. The Master Teacher may also wish to keep written records of observations and conferences. The University supervisor will complete a Professional Behavior Guidelines form for student teacher/interns each semester.

2. The Master Teacher and the University Supervisor will meet periodically to discuss the teacher candidate’s progress. The supervisor will keep the Program Director informed as to each candidate’s progress.

3. If at any time during the semester, conflicts develop between any of the personnel involved in the student teacher/intern experience, the University supervisor and/or the Program Director will set up conferences and procedures for resolving conflicts. The student teacher/intern, the master teacher, and the University supervisor should notify the director of the program immediately if any problems occur and will be referred to the Education Committee of the School of Education and Leadership for discussion and determination.

4. At midterm the Evaluation of Student Teacher/Intern Effectiveness form should be completed. The supervisor should advise the teacher candidate in writing about his/her midterm grade at this time. (See Appendix B).

5. Near the end of the semester, the master teacher, student teacher/intern, and the University supervisor will complete the Evaluation of Student Teacher/Intern Effectiveness form regarding the work of the teacher candidate.

6. At the end of the semester, the University Supervisor will complete a Summary Evaluation form and determine the letter grade to be assigned for the semester student teaching experience.

Because student teaching often goes beyond the time when NDNU grades need to be submitted, a grade of IP will be assigned until completion of student teaching after which a final grade will be submitted.
XI. RESPONSIBILITIES AND QUALIFICATIONS OF THE MASTER TEACHER

The Master Teacher is the teacher of the class to which the student teacher is assigned. This teacher is selected by the school administration because of outstanding professional competency including capabilities and interest in helping others to learn to teach.

The Master Teacher:

- will have had at least three years of successful experience

- will conduct classrooms which:
  1. provide a healthy emotional climate for students
  2. have a constructive program of discipline
  3. provide for individual differences
  4. make use of sound teaching-learning processes

- will model effective teaching of the CCSS (Common Core State Standards) and Next Generation Science Standards

- will assist candidates in meeting teacher performance expectations

- will assist candidates in completing PACT requirements

- will provide an overview of the program including goals and objectives for the class, anticipating learning activities, sources for instructional materials, and means of assessment, including how everything relates to the State-adopted academic standards and teacher performance expectations

- will maintain an ethical attitude toward the teaching profession in both words and actions and be able to:
  1. share educational expertise with a beginner
  2. take the time for orientation and supervision of a student teacher/intern
  3. cooperate with the University supervisor in a program to give the student teacher/intern the best possible experience
  4. evaluate the student teacher/intern’s progress and work on a regular basis through written observations and verbal feedback.

- will define what she/he expects of the student teacher/intern. This may be done in conference with both supervisor and student teacher/intern and may include:
  1. The student teacher/intern’s ultimate responsibilities in setting objectives, writing lesson plans, planning activities, and evaluating progress.
  2. Routines and procedures already established with the pupils and how flexible she/he wishes it to be.
3. Expectations regarding punctuality, dress, and the reporting of student teacher/intern absences (Refer to student teacher/intern responsibilities).
4. Observe the student teacher/intern presenting lessons on a regular basis. Give both oral and written feedback.
5. Monitor/evaluate professional, legal and ethical obligations as noted in section CSTP 6: Developing As a Professional Educator (TPEs 12 and 13).

- acquaint the student teacher/intern with the school procedures, forms, and equipment, such as:
  1. Policy Handbook
  2. Calendar of school events
  3. Master schedule and special day schedule
  4. Copies of school forms (hall passes, attendance forms, referral forms, counseling forms, etc.)
  5. Report cards, pupil progress reports, and conference notices
  6. Parental notes
  7. Fire and disaster drill procedures
  8. Medical service, first-aid procedures, and other emergencies
  9. Accident reports
  10. Counseling and guidance procedures
  11. Library facilities
  12. Duplicating equipment
  13. Technology services and equipment
  14. Routine and disciplinary action
  15. Curriculum guides, study guides
  16. Use of pupil cumulative records
  17. Teacher mail boxes
  18. Services available through the district office
  19. Procedure for providing lesson plans for substitute teachers
  20. Awareness of legislation regarding harassment
  21. Awareness of legislation regarding student discipline

- will provide opportunities for the student teacher/intern to observe and teach all curricular areas appropriate for the assigned grade level.

- will participate in the interim and final evaluations of the student’s teaching effectiveness.

- Upon request, write a letter of recommendation for the student file.

If the master teacher is displeased with the performance of the student teacher/intern, he/she should discuss this with the student teacher/intern and the supervisor. If necessary, the school principal and Program Director should be requested to come in for a conference. If the problem cannot be resolved, the student teacher/intern may be removed from the student teaching assignment. Consideration of another assignment is the responsibility of the University.
XII. RESPONSIBILITIES OF SCHOOL PRINCIPAL

1. The district office or the school principal is responsible for the final selection of master teachers. She/he encourages the Master Teacher to provide the teacher candidate with the packets of necessary instructional materials and to acquaint the teacher candidate with schedules.

2. The school principal will advise the teacher candidate of orientation meetings, in-service, and workshops that the candidate could attend and that might be of value to the candidate in his/her teaching experience.

3. The master teacher should be advised by the principal whenever he/she thinks it is appropriate for the teacher candidate to attend the faculty meeting.

4. The school principal should be included in the evaluation conferences whenever the master teacher, student teacher/intern, or University supervisor thinks it necessary. On occasion, the principal may be asked by the teacher candidate to write a letter of recommendation for his/her placement file.

XIII. RESPONSIBILITIES OF UNIVERSITY DIRECTOR

1. The University director interviews each candidate at the time he/she applies for admission to the teacher education program. After the candidate has been accepted into the program, the Coordinator of Student/Intern teacher assignments is responsible for making all arrangement for assignments.

2. The director is responsible for the initial preparation and update of a Handbook with necessary information for the teacher candidate and those parties concerned with the student teaching experience.

3. The director or other Education Faculty member is responsible for the initial orientation seminars for teacher candidates.

4. The director or other Education Faculty member is responsible for planning and conducting weekly seminars.

5. The director is to be available for conferencing with all parties involved in the student teacher/intern experience whenever deemed necessary.

6. The directors present reports to the School of Education and Leadership Committee twice a semester.

7. The Director, in conjunction with the supervisor, facilitates any change in a student teaching assignment.
XIV. RESPONSIBILITIES OF UNIVERSITY SUPERVISOR

The University supervisor is the University counselor/teacher to whom the student is assigned. The University supervisor serves as liaison between school district and Notre Dame de Namur University. The Master Teacher and University supervisor share the responsibility of guiding the student teacher/intern’s progress toward becoming a flexibly competent teacher by means of regular classroom observations and private conferences. The needs and growth of the student teacher/intern are assessed by all involved.

The University supervisor has the following responsibilities:

A. Meet with the principal and master teacher prior to or during the first week of the student teacher/intern’s assignment to discuss the experiences desired for the student teacher/intern, conferences, evaluation procedures, and schedules.

B. Visit the school regularly to observe the student teacher/intern (a minimum of 6 formal visits). If the assignment is at a partnership school, a weekly visit is minimum.

C. Whenever possible, conference with the student teacher/intern following the observation period and discuss competencies as well as suggestions to help the student teacher/intern.

D. Write a summary of the observation and conference on the Teacher Observation form provided by the University. The student teacher/intern should receive one copy.

E. Confer with the master teacher and student teacher/intern on a regular basis so that there is an awareness at all times of the student teacher/intern’s progress.

F. Advise the Program Director of any problems or concerns that may need conferencing with the student teacher/intern and/or master teacher. Complete a Progress Report form if student is having difficulties.

G. Assist in conducting weekly seminars with the student teacher/interns in which problems of concern to the student teacher/interns can be discussed.

H. Assist the student teacher/intern to overcome areas of weakness identified by the student teacher/intern, master teacher or supervisor.

I. On the scheduled dates, submit a report on teacher candidate’s progress by completing the Evaluation of Student Teacher/Intern Effectiveness form provided by the University during midterm and final evaluation. At the end of each semester, a letter grade is given.

J. Upon request, will write a letter of recommendation for the student file.

K. Attend a School of Education and Leadership meeting when requested.
XV. RESPONSIBILITIES OF PLACEMENT COORDINATOR FOR STUDENT TEACHER/INTERN

A. Coordinates and negotiates student teaching placements with school and district administrators.
B. Oversees student teaching contracts.
C. Maintains current contact and placement data.

XVI. UNIVERSITY SUPERVISOR – GUIDELINES FOR OBSERVING STUDENT TEACHER/INTERN

The student teacher/intern will be observed on a regular basis by the University supervisor. Strengths, weaknesses, special problems, and general progress will be noted by the supervisor and will be discussed with the candidate following each observation.

Following are some guidelines that the University supervisor may use while observing the teacher candidate:

The relationship of the teacher candidate with her/his pupils may include:

A. Classroom management
B. Delivery of directions, statements, questions
C. Sensitivity to learning problems by altering lessons as needed
D. Awareness of disrupting occurrences and methods for solving them
E. Special problems in the classroom

The teaching procedures employed by the teacher candidate may include:

A. Indication of prior planning, formulation of goals and objectives, and organization
B. The relation of the lesson to the normal sequence of the curriculum
C. The appropriateness for the class of the teaching methods used
D. Instructional materials
E. Assessment techniques
F. Techniques for transfer of learning and reinforcement

The learning environment may include:

A. Personal characteristics of the teacher candidate
   1. Appearance and voice
   2. Language usage, including spelling and handwriting
   3. Vitality and enthusiasm
   4. Pacing
   5. Any idiosyncrasies that might affect teaching effectiveness
B. Room characteristics:

1. Cleanliness
2. Light
3. Ventilation
4. Relevance of bulletin boards and displays to subject matter and teaching situation
5. Organization

C. Environment that encourages group cohesiveness and cooperative efforts.

D. Professional behavior monitored/evaluated for legal and ethical obligations as noted in section CSTP 6: Developing As a Professional Educator (TPEs 12 and 13).

E. Monitor completion of PACT requirements.

XVII. ARTICULATION BETWEEN NDNU’S CREDENTIAL AND MASTER’S PROGRAM

Graduates of NDNU’s credential program have a unique opportunity to count up to twelve credential units toward a Master’s Degree. Courses approved for articulation include: EDU4100, EDU4104, EDU4110, EDU4107, EDU4119, EDU4330, EDU4333 and EDU4410. It is important to note that the Master’s degree must be completed within seven years of taking the first graduate class. In other words, if a student enrolls in EDU4100 in the fall of 2014 and the student is counting that course toward a Master’s Degree, then the student must complete his/her Master’s Degree by August 15, 2021.

The opportunity to count credential courses toward a Master’s Degree significantly reduces the time and financial resources required to earn the advanced degree. Additional financial assistance (e.g., Institutional Scholarships) is available to qualified applicants. This is a wonderful opportunity for educators to improve their practice, engage in the required number of professional development hours, qualify for a higher salary, and develop the skills, knowledge, and habits of thoughtful educational leaders.
A. REPEAT POLICY

Students may repeat courses in which "C", "D", or "F" grades were received. Grades for all attempts appear on the transcript, but only the highest grade is computed in the GPA, and credit is earned only for the highest grade. Independent Study may not be used to repeat a course.

Should a Notre Dame de Namur University student earn a grade of "F" in a course at Notre Dame de Namur University and then subsequently repeat the course and earn a "C" or higher grade at a fully accredited institution, the grade earned outside of the University will be admitted to the student's record at the University. This applies only to a student who has been placed on academic warning, probation, or disqualified status at Notre Dame de Namur University and has repeated a course for the purpose of raising his or her grade point average. For a full listing of policies, please review the University Academic Catalog online. Questions regarding the Repeat Policy may be directed to your faculty advisor or go online to the Registrar Office link at, http://www.ndnu.edu/academics/registrar/.

B. EDUCATION COMMITTEE

The Education Committee is a group of experienced faculty members who meet regularly to review the progress of students in credential programs and to recommend next steps for those who have been identified as experiencing difficulty successfully meeting requirements for a credential. The Committee is composed of directors of the credential programs, a member of the undergraduate faculty, the Credential Analyst, advisors and the Dean of the School of Education and Leadership. The Chair of the Education Department also serves as chair of the Education Committee. Students are recommended to the Committee by the program director, advisor, course instructor or supervisor for the intern/student teaching experience.

Any student demonstrating difficulty in student or intern teaching must be referred to the Committee by the University supervisor in consultation with the program director. Additionally, the chair of the Committee polls instructors of all foundation courses each semester for names of students whose progress and/or social skills in class indicate that they may have difficulty succeeding in the teaching profession. Other students may be referred by any faculty member or by the Dean of the School of Education and Leadership after consultation with the student’s advisor and program director. The Education Committee keeps in mind two goals in its discussion of such referrals:

- Early identification of students who need extra help in succeeding in the program
- Early identification of individuals who, in spite of academic success in classes, may not be able to succeed in the teaching profession
On rare occasions, the Committee may make any of the following recommendations:

- Require that a student successfully complete a third semester of supervised field experience (intern or student teaching)
- Require that an intern be dropped from the internship and complete the supervised field experience through student teaching
- Disqualify a student from the credential program

Any student who has been referred to the Education Committee will receive a letter detailing the recommendations of the Committee. Decisions of the Committee are final unless appealed to the Dean of the School of Education and Leadership within fourteen (14) calendar days. The decision of the Dean is final. A student may have recourse to the University Grievance process as detailed in the student handbook.

C. UNIVERSITY SUPERVISOR’S LINK WITH THE EDUCATION COMMITTEE OF THE SCHOOL OF EDUCATION AND LEADERSHIP

Students who are experiencing problems will receive a Progress Report identifying the areas of difficulty. The Education Committee composed of undergraduate and graduate faculty, Dean of the School of Education and Leadership, Program Director, and Credential Analyst, will review such reports and make an appropriate recommendation. The School of Education and Leadership Committee participates in all decisions related to Progress Reports and Evaluation of Student teacher/Intern Effectiveness forms. On rare occasions, the School of Education and Leadership Committee may recommend that it is necessary for the student teacher/intern to take three full semesters of student teacher/intern to meet University expectations. Very rarely, the Committee may determine that a teacher candidate should not continue the program. The Committee’s decision is final unless appealed within fourteen (14) calendar days to the Dean.

D. NOTRE DAME DE NAMUR UNIVERSITY’S POLICY FOR STUDENT TEACHER/INTERNS DURING A TEACHER STRIKE

Notre Dame de Namur University shall maintain a position of neutrality in any strike involving school districts with which it has contracts for the placement of student/intern teachers.

Notre Dame de Namur University has an obligation to protect its students and to provide them with instruction. In the event of a strike, an immediate reassignment normally will not be initiated. University supervisors shall meet with student teacher/interns for seminar on campus and assign teaching-related duties. Such duties shall be integral parts of the teacher preparation program and shall constitute assignments related to student teaching. If it appears, however, that the strike may be of long duration and that the teacher candidate may be deprived of adequate teaching experience, the Program Director may re-assign the teacher candidate to a non-striking district.
The student teacher/intern candidate has the responsibility of notifying the University supervisor, program Director and Chair of the Department that a strike has begun or has been called for a certain time. Candidates may request immediate reassignment to a non-striking district. Such requests shall be made directly to the Director and the Coordinator of Student Teaching Assignments.

No student teacher/intern candidate will assume control of a classroom in lieu of a credentialed teacher during a strike. Should a student teacher/intern accept employment on an emergency credential, it shall be presumed that the student teaching status has been terminated.

Teacher candidates are not to be coerced into crossing picket lines, nor are they to be coerced into joining a strike. Allegations of coercion are to be reported to the Director and to the Dean of the School of Education and Leadership at Notre Dame de Namur University.

Neither University nor district personnel shall refer to student teacher/intern strike actions when evaluating for the purpose of preparing rating sheets or letters of recommendation.

E. NOTRE DAME DE NAMUR UNIVERSITY’S SEXUAL HARASSMENT POLICY

As stated in the document, Student Rights, Freedoms, and Responsibilities, Notre Dame de Namur University will not tolerate any behavior, which constitutes sexual harassment, discrimination or other inappropriate action. Sexual harassment is defined as unwelcome sexual advances, requests for sexual favors, and other verbal or physical conduct of a sexual nature when:

1. Submission to such conduct is made explicitly or implicitly a term or condition of the status of the student in a course, program, activity or work situation.

2. Submission to or rejection of such conduct by the student is used as a basis for academic or job-related decisions affecting the student.

3. Such conduct has the purpose or effect of substantially interfering with the educational or work experience of the student by creating an intimidating, hostile, or offensive academic/work environment.

If a student believes she/he has been subjected to such behavior, she/he should report the incident to:

1. Vice President for Campus Life at Notre Dame de Namur University

2. Personnel Office at the student’s place of employment

3. Director of Program

4. Dean of the School of Education and Leadership

TEACHER OBSERVATION

Name ____________________________________________   Date _____________________

Class/Period_______________________________________

Instructional Planning – Lesson planning: i.e. (factors that influence planning and teaching, learning
objectives, instructional materials, assessment opportunities)

Instructional Presentation (e.g. engagement of learners): i.e. (organization-progression of tasks,
relationship of objectives/tasks to student’s knowledge/needs, specific strategies-opportunities to
intellectually engage in tasks, content accuracy)

Management of student behavior and instructional time: i.e. (working structures or routines that support
respect and engaged behaviors, time management)

Accommodations to different learning needs: i.e. (specific planned strategies, forms of support for varied
needs)

Assessment of student learning: i.e. (assessments match objectives, monitoring strategies, assessment
instrument or process to measure proficiency [productive/receptive modalities]).

Recommendation(s):

STUDENT TEACHING CLEARANCE CHECKLIST

Student Name: ________________________________ ID: _____________________

All of the following must be completed and on file with Terrance Hanna, Credentials Analyst, in order to be eligible for student teaching. (For University Internships, additional requirements apply; see Internship Clearance checklist). Contact Terrance Hanna at 650-508-3545 or thanna@ndnu.edu.

☐ Passage of Basic Skills Requirement (e.g. CBEST or 3 new options). For more information, see: http://www.ctc.ca.gov/credentials/leaflets/cl667.pdf. Passing score reports should be sent to Notre Dame de Namur University, code: 188. If scores were not sent, please provide the official report to the Education Department so we can make an official copy and return your originals to you.

☐ Verification of Subject Matter Competence (e.g., CSET or Subject Matter Waiver). Passing score reports should be sent to Notre Dame de Namur University, code: 518. If scores were not sent, please provide the official report to the Education Department so we can make an official copy and return your originals to you. For subject matter programs (aka “waivers”), contact Credentials Office.

After passing CSET and CBEST, contact the Student Placement Coordinator, Susan Raffo at 650-343-7358 or ndnuraffo@gmail.com. All student teaching placements must be arranged by the placement coordinator.

☐ Copy of negative TB test result from within two years. We need a legible photocopy of the doctor’s report.

☐ Verification of fingerprinting clearance with the California Commission on Teacher Credentialing (also called a Certificate of Clearance).*

*Please note that fingerprinting clearance is a straightforward legal requirement. No exceptions, waivers, or accommodations of any sort will be considered.

Note that in order to be eligible for student teaching, your fingerprints and clearance application must have been cleared by the CTC; simply having done fingerprinting is NOT sufficient. Your clearance appears on the state database, which we will access for confirmation before your placement. You may have done fingerprinting one or more times before. This may have been for the CTC, for a private school, or for an individual school district. IF AND ONLY IF your clearance appears on the CTC website (www.ctc.ca.gov, click “look up a credential” to check) have your prints been cleared through the Commission.

Having merely done LiveScan fingerprints and submitted a follow-up clearance application electronically is not sufficient, as the CTC regularly sends applications to the Division of Professional Practices for review, for any number of reasons which they do not disclose to us. Professional Practices reviews normally take 4-6 weeks. Therefore, you should be certain to submit both your LiveScan fingerprints and your follow-up electronic application early enough, prior to consideration for student teaching, to insure that your application will be fully cleared before the placement coordinator begins the process of securing or confirming your placement.

For more information, see: http://www.ctc.ca.gov/credentials/leaflets/cl271.pdf

☐ Signed NDNU Release of Liability Form.

☐ Verification of 40-Hours of Pre-Acceptance Field Experience. Provide the original form signed by the site supervisor or official letter of verification from the site.
Appendix D

SUGGESTED CALENDAR OF TASKS FOR CREDENTIAL STUDENTS

Below is a suggested list of activities that would help ensure timely processing of credential documents. Please note that this calendar is only a suggestion of activities based on previous experiences of credential analysts and does not account for any future changes at the university or state processing requirements. To the extent possible, candidates will be alerted to certification changes in advance.

Compliance with state and federal education codes regarding teacher credentialing is the responsibility of the candidate. Candidates will be held responsible for meeting mandated credential requirements at the time of applying for the credential. To the extent possible by law, NDNU will uphold the curricular program requirements at the time of admissions to the program.

Immediately after Admissions to the Credential Program:

- Create a credential file for personal record-keeping for academic and professional documents.

- Begin to satisfy the requirements for admission to Student Teaching. In all cases, students must pass CBEST and demonstrate “subject matter competency”, pass the CSET, hold a CTC fingerprint clearance (private or school clearance is NOT sufficient) and have a negative TB test on file prior to Student Teaching. Be sure to list NDNU as a recipient of official test results.

- Make arrangements for financial aid, if applicable, to ensure the ability to finish the program in a timely manner.

- For those pursuing a Masters degree AND teaching credential, please be sure to submit an audit form to the Registrar’s office as soon as possible. For those graduating in May, there is no audit fee for forms submitted before October. The fees rise steeply with time and May graduates submitting forms after February 15 will not participate in Commencement ceremonies. See Registrar’s office for details.

Semester or summer before Student Teaching or Internship:

- Communicate to the Placement Coordinator of intention to student teach.

- Complete all requirements for Student Teaching. If a student is not fully cleared by the Credential Analyst (see Appendix C - Student Teaching Clearance Checklist), by the announced submission deadlines which are August 1st for fall and December 1st for spring, it is not possible to student teach and program completion may be delayed.
• Pay particular attention to CTC fingerprint clearance. If you do not have an emergency teaching credential or other document issued by the CTC, apply for the Certificate of Clearance. Typically CTC processing takes a few weeks, but occasionally, for reasons the CTC does not release, candidates are referred to the CTC division of professional practices; the process then could take months. YOU MUST HOLD A CTC CLEARANCE or a substitute or other California credential (not just have been fingerprinted) BEFORE being assigned to fieldwork placement.

• Many students have had fingerprints done multiple times for schools or other agencies. California law and NDNU policy requires clearance specifically through the CTC before fieldwork begins. See the Student Teaching Clearance Checklist.

• Register for applicable classes and prepare for fieldwork responsibilities.

• Track your progress using the Program Checklist and/or the online campus portal.

• For internship candidates, submit an Application for Credential Recommendation form for a University Internship Credential through the Credentials Office.

Final Semester:

• Submit any missing credential documentation. In most cases, original forms are required. The CCTC has a helpful website for downloading forms, see: http://www.ctc.ca.gov/credentials/materials.html

• Complete and return a completed Application for Credential Recommendation form to the Credentials Office. Pay the Audit Fee to the Business Office.

• Complete all requirements; pass RICA, obtain a CPR card (adult/children/infants).

Upon completing all program requirements, including student teaching and PACT, credential candidates, who submit an application to the Credentials Office, will be recommended by NDNU to the CTC for the credential.
May Commencement Ceremony:

- **Credential Students:** be sure to submit the Petition to Walk form to the Credentials Office NO LATER than February 1. Students who are almost finished with the program and desire to participate in the May Commencement ceremony may do so if they have no more than 6 units remaining after the ceremony, if they file by the February 1 deadline.

**Masters/Credential Students:** See the Registrar’s Office for details.

For Masters/Credential students, it is imperative to understand the difference between meeting degree completion/graduation requirements and certification/credential requirements. You are required to do both. Information about the Masters Program requirements is available in the Masters handbook, the NDNU catalog and through the Registrar’s office. Information on certification is available though the Credentials Office.

**Getting your Credential**

After being recommended to the California Commission on Teacher Credentialing by NDNU, you will receive an email to which you must respond and pay the state certification fee. You will then be sent your credential, electronically, in 10-14 days.

**Applying for Teaching Jobs**

You will have an SB2042 Multiple subject credential with EL authorization. This means that your credential includes EL (CLAD) and NCLB compliance is met by your passing CSET scores.

Best wishes for a successful teaching career!

Notre Dame de Namur University
Lesson Plan Form

Teacher: ________________________________  Subject: _______________________

Central Focus: ___________________________  Grade Level: _______  Date: _________

State Adopted Academic Content Standard(s) and/or Common Core State Standards (Circle One)

Pre-Assessments connecting to prior knowledge/prior learning:

Instructor Goal(s):

Student Objective(s) What knowledge and skills will the students acquire? 
The students will be able to:

Academic Language: How will the students use the language necessary for the subject during the lesson?

a. Form (specific formats in which students will encounter academic language, different kinds of writing, speaking; specific words, vocabulary and sentence patterns):

b. Function (The purpose/genre of academic communication in a lesson, which maps to lesson objectives):

c. Fluency (Structured opportunities for students to understand (receptive modality) and practice (productive modality) new language):

Accommodations (for all students including IEP/504 students):

Lesson Delivery:

a. Introduction (set)-connection of content to previous learning
b. Instruction (including guided practice)
c. Assessments (e.g. diagnostic/formative/summative, formal/informal)
d. Closure (Final check for understanding of objectives)

Reflection:

A. What is working? What is not? For whom? Why? (Consider teaching and student learning with respect to both content and academic language development.)

B. How does this reflection inform what you plan to do in the next lesson?
