GRADUATE GENERAL REGULATIONS

In addition to the General Academic Policies and Procedures, the following policies apply to graduate students and graduate programs.

Master’s Degrees
The University offers four master’s degrees:
- The Master of Arts in Education, School Administration, Special Education, and Teaching English to Speakers of Other Languages
- The Master of Business Administration
- The Master of Public Administration
- The Master of Science in Clinical Psychology

A master’s degree at NDNU is defined as a course of study in which the curriculum is characterized by advanced intellectual rigor most clearly evident in the integration and application of sophisticated knowledge to the discipline or practice beyond the baccalaureate level. All master’s degrees at NDNU require a minimum of 30 units. Actual units required are based on subject matter, disciplinary standards, and licensure requirements.

Graduate Policies and Procedures

Full-time Status
A student in a master’s degree program carrying a total of 9 or more units in a semester is considered to be full-time. A student in a credential program carrying a load of 12 or more units in a semester is considered to be full-time.

Registration
Information and instructions concerning registration are distributed by the Office of the Registrar. Students must arrange for an advising appointment with their advisor or Program Director.

For continuing students, Advance Registration for courses takes place in the preceding semester. A student who advance registers must pay tuition or make payment arrangements with the Business Office by a specified date.

Final Registration (for new students and continuing students who do not advance register) takes place immediately preceding the opening of classes each semester. Failure to comply with the procedures specified by the Office of the Registrar for registration, changes in course registrations (Drop/Add), or withdrawal from a course may result in denial of credit and a failing grade.

Class schedules for Summer and Fall semesters are usually available in late March, and for Spring semester in late October.

Adding, Dropping and Withdrawing from Courses

Course Registration:
Adding and Dropping Graduate/Credential Courses
Students may add and drop themselves from classes online prior to the stated add/drop deadline for 8 week and 15-week courses, or prior to the start date of the course for all other formats. Registration clearance by your academic advisor is required to perform course adds and drops online; holds, course capacities, or cancellations may provide additional restrictions to registration so it is the student’s responsibility to resolve any conflicts with assistance from their advisor, and register promptly for their courses.

Withdrawal Period
After the drop deadline, a student may request a Course Withdrawal up to the academic calendar deadline for that course course (see below). A course withdrawal is not a drop, and takes the form of a grade of “W” on the student’s transcript. A “W” grade does not affect the student’s GPA. Students are strongly encouraged to consult their academic advisor and the Office of Financial Aid before requesting a withdrawal, to verify how their degree progress and aid eligibility will be affected. No withdrawal forms will be accepted after the withdrawal deadline for 8 and 15-week courses. All other course lengths must be withdrawn from prior to the last day of the course. Withdrawal from single-day courses is not permitted.

Withdrawal from the University
A student has “completely withdrawn from the University” when he/she attends for some portion of a semester and then drops or withdraws from all courses in that semester. Students who wish to withdraw from the University during a semester must complete a withdrawal form at the Office of the Registrar. Following receipt of written notification of withdrawal, any refund due will be disbursed according to the applicable refund policy.
Refund Policy

For the NDNU refund policies and restrictions, see the Business Office Payments and Policies information at https://www.ndnu.edu/business-office/.

Leave of Absence

Students with a leave of absence who return to the University within two calendar years will be reactivated under their original catalog of record at the discretion of the Advisor.

Students who return to the University after two years must reapply and be admitted under the current catalog of record by the Office of Admissions. Any exception is at the discretion of the Advisor in consultation with the Dean.

Students who return to the University after two years with a different major must reapply and be admitted under the current catalog of record by the Office of Admissions. Any exception is at the discretion of the Advisor in consultation with the Dean.

Time Limits

Master's Degrees

All degree work must be completed within seven years from the beginning of the term of admission to the master's program unless state licensure requirements are more restrictive. For example, a student who began his/her degree work at the start of the Fall term in 2020 must complete all requirements by the end of the Summer term in 2027. Additionally, any units of credit used to satisfy unit requirements within a master's degree program whether earned at NDNU or transferred from another accredited institution must have been earned within the seven-year period prior to the date on which the master's degree is to be awarded.

Graduate Certificates

All certificate work must be completed within five years from the beginning of the term of admission to the certificate program.

Credentials

The University does not set time limits on credential work, but students are subject to any state requirements that may apply.

Transfer Credit

A maximum of 6 semester units of graduate credit toward a 30-45 unit master's program or 9 semester units of graduate credit toward a 50-70 unit master's program may be transferred from other accredited institutions at the discretion of the department chair/program director/advisor. The student must earn a grade of B (3.0) or higher in each course. No continuing education or workshop units may be transferred. Units for research courses and research projects are not transferable. Transferred units must have been earned within the seven-year period prior to the date on which the NDNU master's degree is awarded.

A student who wishes to take a course at another accredited institution after the student has been accepted to a graduate program at Notre Dame de Namur University must have the course approved in writing by his/her department chair/program director/advisor before registering. The transfer course form must be completed before the course is taken. All transferred units must be within the seven-year limit of the master's degree. A student cannot clear Probationary status through transfer units. Career experience cannot be substituted for graduate course work.

Concurrent Master's Degrees

A graduate student may not simultaneously pursue two master's degrees. However, the School of Education and Psychology offers students the possibility of enrolling concurrently in some master’s and credential programs. Contact Dr. Caryl Hodges, Dean, (650) 508-3430 or chodges@ndnu.edu, for additional information regarding this opportunity. The School of Education and Psychology, in conjunction with the School of Business and Management, also offers students the possibility of enrolling concurrently in some credential programs while pursuing a master's degree outside the School of Education and Psychology. For more information, please contact the Graduate Admissions Office at (650) 508-3600 or grad.admit@ndnu.edu.

Second Master's Degrees

A student wishing to pursue a second master's degree may transfer a maximum of 6 units of master's level work into a 30-45 unit program or 9 units into a 50-65 unit program. The transferability must be deemed appropriate and is at the discretion of the department chair or program director. Research courses and research projects are not transferable. The transferred units must have been earned within the seven-year period prior to the
date on which the NDNU master's degree is to be awarded.

**Challenge of Courses**

Courses that are part of a master's or credential program's core courses cannot be challenged by examination. A student may, however, challenge (one time) a prerequisite/foundation course after discussing the reasons for the challenge with the department chair or program director and completing the appropriate challenge form obtained from the Office of the Registrar. The student pays $120 per unit before taking the challenge exam. If a student does not pass the challenge with a 3.0 (B) or better, he/she must take the full course at NDNU or elsewhere. Only successful results of challenge exams are recorded on the transcript.

**Independent Study**

Independent Study will be permitted only in special circumstances as outlined in the Policy and Procedures for Independent Study summarized below.

Independent Study is individual study or research under the direction of an instructor. It is open only to matriculated students and is generally available only for upper-division and graduate work. The maximum number of units of Independent Study in a graduate degree program is 6. In cases involving a combination of transfer and independent study units, no more than 6 units in either category may be granted nor more than 9 units in combination.

Final approval of Independent study credit rests with the Dean of each school. The contract must be presented at the time of registration and must be completed by the Add deadline of the semester or term in which the Independent Study is to be undertaken. An independent study may not be used to repeat a failing grade.

**Grading System**

Notre Dame de Namur University determines the graduate student's progress by assessing the academic and professional behavior of the student by means of letter grades. The grade point average is computed on a four-point system:

**Grade Points Per Unit**

****Not acceptable for credit.

**Grades Not Used in Computing the Grade Point Average:**

- AU: Audit
- W: Course Withdrawal
- I: Incomplete
- IP: In Progress
- NP: Not Pass
- P: Pass (equivalent grade "C" or higher)

**In Progress Grade**

In the case of Thesis/Capstone, Practicum, and Student Teaching courses for which research or site hours are not completed by the end of the semester of registration, an IP for "In Progress" is assigned. Research must be completed within 12 months of the stated end date of the course. Failure to complete research or site hours within the 12-month time frame will result in a NP (Not Pass).
grade for the course, and the course must be repeated at full tuition. For programs where a Thesis/Capstone or Practicum Extension course exists, the "IP" will stay in place and the student will register for extension units (Pass/No pass credit) as needed until complete, at which time the IP will be converted to the appropriate letter grade.

Incomplete Grades
An "Incomplete" may be given to a student who has maintained satisfactory attendance and work throughout most of a course, including Independent Study, but due to extraordinary circumstances is unable to complete the required work by the end of the semester/session in which the course was taken. The Incomplete grade is to be replaced by a final grade by the next "Incomplete Due" date on the Academic Calendar, unless the instructor specifies a lesser time period. There will be no extension granted for clearing the Incomplete beyond this specified time period. Once the Incomplete has been changed to a terminal letter grade, no grade changes are accepted. Either the instructor or the student may initiate a grade of Incomplete. The "Request for an Incomplete Grade" form is available from the Office of the Registrar. On this form, the instructor specifies the work to be completed, the deadline for completion, and the default grade.

An Incomplete grade will be recorded only if the form is completely filled out, signed by the student and the instructor, and submitted to the Office of the Registrar no later than the due date for instructors' regular grade sheets. It is the student's responsibility to verify with the instructor whether he/she will be available to complete the evaluation of the course within the specified time period, to maintain contact with the instructor, to complete the course work, and to verify that the instructor submitted a final grade to the Office of the Registrar. If the course work specified on the Incomplete Grade form is not completed in accordance with the above policy, the grade will be converted to the default grade. Students will not be allowed to graduate with an "Incomplete" on the transcript.

Grade Changes
All grades except Incomplete ("I") and In Progress ("IP") are considered final when assigned by an instructor at the end of a semester. If a clerical error has been made that can be documented, an instructor may submit a petition for a grade change within one semester of the issuance of the grade to the Office of the Registrar. Full supporting documentation must accompany the petition, including instructor signature. A grade may not be changed as a result of re-evaluation of a student’s work or submission of additional work.

Grade Appeal
Students may request a review and appeal of their grade to the instructor, including material marked by class assignments within 10 working days following posting of grades. Review is taken to include, but is not limited to, inspections of the final examination and any written materials that influence the grade. It should be understood that a reviewed grade may be raised or lowered. The instructor shall ordinarily issue their decision regarding the student’s grade within 10 working days of the start of the next semester. If the student believes that the results of the review are not satisfactory, he/she may appeal in writing to the Department Chair/Program Director within 10 working days of receipt of the review. The Department Chair/Program Director will review the case, including a written statement from the instructor within 10 working days of receipt of the student’s appeal.

If the case is not resolved to the student’s satisfaction at this point in the process, he/she may request that the Department Chair/Program Director refer the matter to the Dean for final resolution. For this matter to be considered, the request must be received within 10 working days following the communication of findings by the Department Chair/Program Director to the student. The Dean may, in the case of graduate students, choose to form a committee of disinterested members to consider these statements together with such papers and examinations contributing to the questioned grade and provide a recommendation to the instructor. The decision of the Dean shall ordinarily be issued within 10 working days and is final. This procedure does not apply when a grade is being appealed because of alleged academic misconduct.

Grade Reports
Students may access grades online after they are submitted by instructors. Grades are not released over the telephone because the caller cannot be properly identified as required by FERPA (Family Educational Rights and Privacy Act).

Repeat Policy
A student must maintain a 3.0 cumulative GPA in graduate courses in order to remain in good standing. A course with less than a grade of "C" (2.0) must be repeated. Check with advisor or program director regarding grading standards/criteria in your department/program. With the
exception of research courses, all courses taken to improve the GPA may be repeated only once. All grades, whether repeated or not, will appear on the student’s transcript, but only the higher grade will be used to compute the GPA. Courses that are transferred into a graduate program or courses with a prefix of 6000 are not computed in the cumulative GPA.

**Course Substitution Policy**

Graduate courses taken at other institutions and, in extenuating circumstances over which the student has no control, courses taken at NDNU may be substituted for required courses in NDNU programs if they meet certain criteria and are appropriately documented.

**Auditing Courses**

Regularly enrolled students may, with permission of the instructor and the program director, enroll as auditors in certain classes. There is no reduced tuition rate for graduate-level auditors. Classes that are audited are not taken for academic credit and may not be changed to credit after the Drop/Add deadline. The extent of participation of an auditor is determined by the instructor.

**Articulated Programs**

Notre Dame de Namur University offers articulation agreements between undergraduate and graduate degree programs in fields where graduate study is compatible with an undergraduate degree program. For more information, see Policies and Procedures section of the Undergraduate Catalog.

**Graduate Teaching Assistantship**

A teaching assistant is a student who has demonstrated scholarship, leadership, and competency within a graduate program and is selected to serve as an assistant to the instructor of a graduate course. The student must have a GPA of 3.8 in graduate study. A Teaching Assistantship is noted on the transcript except if it is part of the degree program as in the MA-English program.

**Changing from One Graduate Program to Another**

A student who wishes to transfer from the credential program to any master’s degree program or from one master’s program to another must submit a new application. New references may be required. The Graduate Admission Office may not require resubmission of all documents; check with that office for details. The student will receive a notice of acceptance or rejection into the new program.

**Program Termination**

When enrollment in a program becomes too low or the University decides to phase out a program, a student may be redirected to another program, be asked to complete courses as they are offered at NDNU, transfer in courses from another accredited institution, or finally, transfer to another accredited institution.

**Catalog of Record**

Students are bound by requirements in effect as of their term of admission. Students remaining in continuous registered attendance at NDNU may elect to meet graduation requirements in effect either at their term of admission or at the time of graduation. If the University determines that changes in requirements are essential for certification or competency in the academic or professional discipline, those changes in program requirements shall be mandatory for all students whose degrees have not yet been awarded.

**Completion of Requirements for the Master's Degree**

The degree is awarded upon the satisfactory completion of all requirements for the particular program, including a cumulative GPA of 3.0 for all work done in the program.

It is the student’s responsibility to file a Master’s Degree Graduation Application (available from the Office of the Registrar). May and August candidates should file by the previous October 1; and December candidates should file their application for graduation by the previous March 1.

In those master’s programs in which a graduate thesis/research project is required, two copies of the document are required and are forwarded to the School Dean: one is cataloged in the NDNU Library and the other is distributed to the student’s department. Transcripts and diplomas are not issued until all accounts and records are cleared to the satisfaction of the Business Office.

**Participation in Graduation**

Students who have finished all their degree requirements in the previous Summer session or Fall semester or are finishing in the current Spring semester may take part in graduation ceremonies.

Exceptions to this policy are as follows:

Master’s students may petition to participate in Commencement if they meet the following conditions:

- They have 3 or fewer units remaining to complete their program.
• The remaining units will be completed by the end of Fall session following commencement.

Credential students may petition to participate in Commencement if they meet the following conditions:
• They have 6 or fewer units in statutory requirement classes remaining to complete their program.
• The remaining units will be completed by the end of Fall session following commencement.

Graduate Commencement Speaker
A representative of each graduating class is selected to address the graduates at Commencement. Selection is made by a committee that comprises faculty, staff, and students. The criteria for eligibility are:
• A minimum GPA in all university work attempted (at Notre Dame de Namur University and other institutions) of 3.9
• A maximum of six transfer credits from other institutions
• Expected completion of all work before the graduation ceremonies
• Outstanding writing and speaking skills

Satisfactory Performance
Only those applicants who show promise of success and fitness will be admitted to a graduate degree program. Once admitted, students whose performance in a graduate degree curriculum is judged to be unsatisfactory may be required to complete a remedial course of action, engage in a forced Leave of Absence, or Withdraw at the sole discretion of the University.

Academic Probation
Any student accepted on academic probation who fails to make a cumulative GPA of 3.0 or better in the first 6 semester units must contact his/her advisor or program director regarding policies on clearing probation. Licensure policies may vary.

Any student who fails to achieve a cumulative GPA of 3.0 or better in work taken for graduate credit at the end of a semester will be placed on first-time academic probation. The student must meet with his/her advisor or program director to devise a plan to regain clear academic standing.

Any student on academic probation who subsequently fails to achieve a cumulative GPA of 3.0 or better in work taken for credit will be placed on second academic probation. (Check with advisor or program director. Licensure policies may prohibit a second term of academic probation.)

Any student on second academic probation who subsequently, in any semester, fails to achieve a cumulative GPA of 3.0 or better in work taken for graduate credit will be disqualified.

No graduate degree will be conferred upon a student whose cumulative GPA is below 3.0 in work taken for graduate credit after completing the units required in the program. A student may petition in writing to add 6 or fewer additional units in the following semester to regain clear standing. Failure to petition within 30 calendar days after grades are posted results in disqualification.

A student on probation may not transfer units to clear probation; clearance from probation must be achieved through course work done at Notre Dame de Namur University.

Disqualification
Any one of the following conditions justifies disqualification from the Notre Dame de Namur University graduate programs:
• Evidence of academic failure in any semester
• Failure to regain clear standing after a period of academic probation
• Failure to complete a master’s degree program within seven years
• Failure to complete a certificate program within five years
• Failure to meet professional standards required by the specific degree, credential, or certificate program
• Violation of the written Code of Student Conduct found in the University's Student Handbook
• Failure to satisfy financial obligations to the University at the end of the semester

The Deans, in consultation with appropriate University officials, may issue notices of disqualification to students for any of the reasons listed above. Students who have been disqualified may not enroll in graduate courses at NDNU.
