## From Silicon Valley, For Silicon Valley

NDNU's 12 course MBA program gives you a rigorous, values-based perspective in the three core curriculum areas of management, analytics, and strategy.

The MBA program offers you six concentrations in rapidly growing areas that provide you with the flexibility to focus your learning on areas that align with your career goals.

## Key Features of NDNU's MBA Program

**A Silicon Valley MBA for the Real World:** Taught by practitioners active in their fields giving you the hard skills of data and analytics with the soft skills of empathy, inclusion, and ethical leadership.

**Learn Tonight, Use Tomorrow:** We ensure that what you learn in your course tonight is relevant for answering the challenges you will face tomorrow.

**Intercultural Perspective:** As a Hispanic Serving Institution (HSI), we focus on the cross-cultural competencies needed to manage complex, diverse international teams that drive the connected world.

**Specialized Skills:** Future-proof your career by gaining specialized skills and knowledge in innovative business areas including AI, analytics, finance, and cybersecurity.

## Application Requirements

Minimum 2.5 GPA.

A four-year bachelor's degree (or equivalent) from a regionally accredited institution.

A resume and two academic and/or professional recommendations.
