Dear NDNU Students:

**Student Fees and Reimbursement Process**

NDNU will provide a 50% reimbursement for the spring semester for the following fees: room, meal plan, resident and student activity fees, student services fees, and parking. These fees will be credited to each student’s account. If the reimbursement amount results in an overpayment on the student account, NDNU will send a refund check to the student's home address listed on the NDNU portal. Because of the shelter-in-place order, these checks will be disbursed as quickly as possible, with an expected distribution date of May 15, 2020.

**Advising for Summer/Fall Classes 2020**

At this time, staff academic advisors and admissions counselors are all working on assisting students to determine their pathway to a degree. Once summer and fall course schedules are finalized, staff academic advisors will work with those students who are eligible to graduate in spring 2021.

**Transfer Information and Updates**

Admissions support team members are concentrating on helping students evaluate colleges and universities they’re interested in to review courses offered by their corresponding programs, and to help evaluate how their NDNU classes would match coursework and degree requirements. Students are welcome to reach out to the corresponding admissions counselors listed below who are partnering with staff academic advisors to assist in this process.

Current freshmen and sophomores—if you have not yet been in touch with your staff academic advisor or their corresponding admissions support team member, please make contact as soon as possible to determine your optimal pathways for transfer. NDNU is committed to helping each of our freshman and sophomore students find a new school that meets their career goals and interests.

### List of Transfer Partner Schools

Please keep monitoring NDNU’s website, as we continue to update our list of partner institutions. At this time, eight schools have been identified as transfer partners:

- Dominican University of California
- Holy Names University
- Humphreys University
- Menlo College
- Mount Saint Mary’s University, Los Angeles
- Saint Mary’s College of California
- Saint Martin’s University
- William Jessup University

**COVID-19 Updates**

Please visit [this webpage](#) for the latest updates and information on COVID-19 and the NDNU community.

Please see [this flyer](#) for information on community resources available to help with basic needs during the shelter-in-place order.
