*****Important Information Regarding Security Deposits*****

- 1) Students who assume responsibility for an apartment as a solo (single occupancy) renter will be assessed a Security Deposit of \$1,875 prior to the start of occupation.
- 2) Students who share housing (double occupancy) will be required to provide \$1,400 each for their Security Deposit.
- 3) Students who share housing (triple occupancy) will be required to provide \$900 each for their Security Deposit.

*****Applicant Affirmation*****

I request assignment to available on-campus housing for the period I have indicated. I also understand that although the preferences I have indicated will be offered if space is available, the University does not guarantee that assignment or its continued availability. I am aware that students must be in good financial standing with the University to be offered on-campus housing.
