

# Degree Completion

## Bachelor of Science in Business Administration

Notre Dame de Namur University (NDNU) has partnered with the San Mateo County Community College District (SMCCCD) to create a seamless pathway to a bachelor's degree for students who have earned their Associate in Science for Transfer in Business Administration. All 60 AS-T Business Administration credits transfer to NDNU and NDNU commits to offer the remaining 60 units of coursework, such that students can complete a Bachelor of Science in Business Administration (BSBA) within two years.

You will be an NDNU student and will earn an NDNU diploma, but you will be able to conveniently take all classes onsite at the Cañada College campus.

### DISTINCTIONS OF THE NDNU BSBA

- Evening classes to support working professionals
- Real-time engagement with instructors and classmates
- Attend classes with a cohort of your peers
- Scholarships and financial aid available
- Courses offered in 8-week sessions
- Most textbooks available through NDNU subscription with Cengage

# Education is *the* career differentiator!

If you are ready to unlock your potential, having a bachelor's degree will keep you in demand as the need for skilled, college-educated workers continues to rise. On your path to earning a bachelor's degree, you will gain skills that give a competitive advantage for jobs that might have otherwise been inaccessible. We designed NDNU's degree completion program for working adults, with evening classes taught by dedicated faculty having years of professional experience.
