Kinesiology Transfer Pathway for Cañada College

Transferring made Simple. The Transfer Pathways program eliminates the obstacles with the transition from the Community College to the Bachelor of Science (BS) programs in STEM (Science, Technology, Engineering and Mathematics) programs at Notre Dame de Namur University (NDNU).

NDNU accepts transfer students for both spring and fall terms with any number units. Our counselors and advisors will work with you to determine an individualized academic plan to map out and get you into the classes you need to graduate on time. Students seeking a 2 + 2 transfer agreement can use this pathway document as a guide. Please keep in mind that not every course needs to be completed. We will assist you to determine your individual needs.

STEM Articulation Pathway toward a B.S. In Kinesiology

The following classes outline prerequisite courses taken at Cañada, and specific upper division courses that must be taken at NDNU for the Kinesiology major.

General Education Requirements

You should plan to complete at least 28 units from the online Articulation Agreement between Cañada College and NDNU, including both required Core Cultural Diversity courses. The total number of units needed to fulfill all Core Curriculum and institutional requirements will vary depending on how requirements for foreign language and US History are met. Please contact us to confirm your intended transfer pathway.

(Over for courses to be taken at NDNU)

Prerequisites for Courses in the Major: (Recommended taking at Cañada)

Units

BIO 230	Cell and Molecular Biology	(5)
BIO 225	Biology of Organisms	(5)
BIO 250	Anatomy	(4)
BIO 260	Physiology	(5)
PSYC 100	General Psychology	(3)

Courses Remaining at NDNU**Kinesiology Major Courses: 34 Units Total**

Units

Structural Kinesiology	(3)	KIN 2100
Care & Prevention of Athl Injury	(3)	KIN 2108
Exercise Physiology	(3)	KIN 2116
Mechanical Kinesiology	(3)	KIN 2124
Fnd Strength Conditioning	(3)	KIN 2132
Statistics	(4)	MTH 2502 <i>plus</i> MTH 2502L (3+1)
Social Psychology	(3)	PSY 2133
Developmental Psychology	(3)	PSY 2141 <i>or</i> PSY 2149 <i>or</i> PSY 2150

Presuming Anatomy and Physiology are completed at Cañada (as indicated above), an additional 9 units of upper division KIN coursework is needed.

This can be completed with the following:

- Exercise Testing/Rx/Supervision (KIN 2114; 3 units)
- Special Topics: Coaching (KIN 2886; 3 units)
- Wellness and Stress Management (KIN 2110; 3 units)
- Additional electives/special topics courses (3 units each)

Additional GE Courses: 9 Units Minimum

Upper Division Writing (3)*

Upper Division Religion (3)

Community Engagement (3)*

Any remaining GE or institutional courses as needed to fulfill all NDNU requirements

**The Upper Division Writing requirement and Community Engagement requirement generally do not add units to a student's program. Rather, they are intended to be fulfilled by choosing courses from the approved list that also satisfy requirements in other areas of the student's program.*
