

General Education Transfer Credit Agreement 2014-2016 Catalog

This articulation agreement describes how courses taken at The National Hispanic University will transfer to meet Notre Dame de Namur University requirements for General Education and lower division major preparation. NDNU will also consider courses from NHU affiliates on a case-by-case basis using our general transfer credit policies; all students who wish to transfer courses must submit official transcripts from the affiliate institution from which the course was taken. Please note: You do not need to complete all of these requirements before transferring to NDNU.

The agreement reflects the general education requirements for NHU students who enter with fewer than 60 units toward the NHU degree. Please see your transfer counselor for more information on the requirements for students who enroll with 60-89 units, or 90+ units, toward the NHU degree.

Policy for Awarding Transfer Credit. With the exception of remedial or vocational courses, NDNU accepts credit for courses completed with grade "C" (2.0) or higher at any degree-granting regionally-accredited two-year college or four-year college or university. Courses from California Community Colleges are generally accepted according to the published recommendations for transfer of courses to the California State University system.

After matriculation, only World History coursework may be transferred in by any student to satisfy this requirement. The only exception to the World History requirement for transfer courses taken after matriculation is for a course from a school that does not offer World History (effective Fall 2012 catalog). See your transfer counselor for more information.

MODERN LANGUAGE/CULTURE AND LANGUAGE. Students who have completed the third-year level of one foreign language in high school with a grade of C (2.0) or higher in each term of the third year are exempt from the foreign language requirement. All B.A. and B.F.A. students must complete the Modern Language requirement as described above, unless eligible for exemption. For majors leading to a B.S. degree, Foreign Culture and Language courses may be substituted for Foreign Language.

From the above Creative Arts disciplines

VISUAL AND PERFORMING ARTS. Students may transfer in one 3-unit course, or a combination of 1- or 2- unit courses to meet the 3-unit VPA requirement. Courses combined to meet the requirement must be in the same genre and must have been completed within a 4-semester period.

E. COMMUNITY ENGAGEMENT AND CULTURAL DIVERSITY

ETH	134, 265, 300, 310			<input type="checkbox"/>

COMMUNITY ENGAGEMENT. Freshman Year Seminar courses include a community engagement component; in addition, all undergraduates must take a 3-unit lower or upper division course designated as a Community Engagement Course.

CULTURAL DIVERSITY. The Cultural Diversity Requirement generally does not add units to a student's program. Rather, it is intended to be fulfilled by choosing courses from the approved list that also satisfy requirements in other areas of the student's program; the exception is that Cultural Diversity courses may not satisfy Culture and Language Requirements for B.S. students. For example, Ethnic Studies 134 can fulfill (3) units of the Behavioral Science requirement and (3) units of the Cultural Diversity requirement. This double counting of a class may only be done with the Cultural Diversity requirement. Courses in Cultural Diversity may be taken at the lower-division or upper-division level.

U.S. HISTORY INSTITUTIONAL REQUIREMENT

HIS	100, 201			<input type="checkbox"/>
-----	----------	--	--	--------------------------

U.S. HISTORY INSTITUTIONAL REQUIREMENT. Students who have not completed a United States history course with grade "C" (2.0) or higher in an American high school or an American international school are required to pass (1) three-unit course in United States History. NDNU does not accept a C- or lower. An official high school, college, or university transcript is required. Further limitations on transfer may exist for specific programs; please consult with your transfer counselor.

**The undergraduate degree in Biochemistry is a foundation for careers in laboratories either in industry such as biotechnology or in the academic world. The major prepares the student for graduate study directed toward biochemistry, microbiology, pharmacological, or other biomedical areas of specialization. Premedical, pre-dental, and pre-pharmacy students will also find that the Biochemistry major provides a good preparation for those professional schools.

You do not need to complete all of these GE or Major Requirements before transferring to Notre Dame de Namur University.
