Courses from California Community Colleges are generally accepted according to the published recommendations for transfer of courses to the California State University system.

**COMMUNITY ENGAGEMENT.** Freshman Year Seminar courses include a community engagement component; in addition, all undergraduates must take a 3-unit lower or upper division course designated as a Community Engagement Course.

**CULTURAL DIVERSITY.** The Cultural Diversity Requirement generally does not add units to a student's program. Rather, it is intended to be fulfilled by choosing courses from the approved list that also satisfy requirements in other areas of the student's program; the exception is that Cultural Diversity courses may not satisfy Culture and Language Requirements for B.S. students. For example, ANTHRO 2 can fulfill (3) units of the Social and Behavioral Science requirement and (3) units of the Cultural Diversity requirement. This double counting of a class may only be done with the Cultural Diversity requirement. Courses in Cultural Diversity may be taken at the lower-division or upper-division level.

**U.S. HISTORY INSTITUTIONAL REQUIREMENT**

HIST 10, 11, 12, 13, 14, 15, 16, 41, 42, 43, 52, 62

**U.S. HISTORY INSTITUTIONAL REQUIREMENT.** Students who have not completed a United States history course with grade "C" (2.0) or higher in an American high school or an American international school are required to pass (1) three-unit course in United States History. NDNU does not accept a C- or lower. An official high school, college, or university transcript is required. Further limitations on transfer may exist for specific programs; please consult with your transfer counselor.
