BA Professional Studies Degree Completion

Join NDNU To Make A Lasting Impact

Unlock your professional pathway with the BA in Professional Studies!

The BA in Professional Studies Degree Completion Program strengthens students' critical thinking and communication skills while supporting their professional growth and leadership development within a collaborative learning community.

The degree is transfer-friendly, offers an efficient path to graduation, and offers the option to get a head start in graduate work and/or toward a teacher credential. It is ideally suited to adults looking to complete a bachelor's degree in a supportive online community while advancing their career paths.

Degree Completion That Transforms Careers

For over 60 years, NDNU has maintained a reputation for excellence in teacher, administrator, and counselor education. The goal of the School of Education is to prepare competent teachers, specialists, administrators, educational therapists, and community leaders through professional programs that reflect current trends. Personalized attention and individualized counseling for students, field orientation of programs, and successful placement of graduates have characterized the programs since their inception.

Admissions Requirements

Fully admitted students will need to meet the following requirements:

- Completed application
- Official transcripts from all colleges/universities attended,
 - Completion of at least 45 transferable units
