

## About NDNU

Founded in 1851, NDNU is a WSCUC accredited, private, Catholic, coeducational master's and undergraduate degree completion university, located on the San Francisco Peninsula in Silicon Valley.

NDNU broadens the perspective and outlook of its students by exposing them to peers with diverse backgrounds, cultures and world views.

## Mission Statement

Notre Dame de Namur University provides transformative, professionally oriented education designed for learners who reflect the diversity of our world. Our graduates are highly skilled professionals and lifelong learners who work to transform the world through values-based professional work and community-based action for social justice.

As an inclusive learning community, NDNU invites people from all walks of life to come together to honor the dignity, sacredness, and diversity of every person. Rooted in the inclusive values of the Sisters of Notre Dame de Namur, the Catholic intellectual tradition, and our liberal arts heritage, NDNU is guided by its Core Values and the Hallmarks of a Notre Dame de Namur Learning Community.

## Core Values

## GRADUATE PROGRAMS

Preparing students for advancement in Clinical Psychology. Programs available 100% online (asynchronous and synchronous options) and in-person.

### Master of Science in Clinical Psychology (MS CP)

37-unit program designed for unlicensed mental health professionals who work in business, consulting, and clinical settings and may choose between two tracks:

- Business, Organizational, and Consulting Psychology
- Consulting and Applied Psychology

### Marriage and Family Therapist (MS CP/MFT)

The 60-unit, MS CP/MFT program prepares you to become a licensed marriage and family therapist (MFT) in California and is also a pathway for future doctoral studies.

### Licensed Professional Clinical Counseling (MS CP/MFT/LPCC)

The 67-unit, MS CP/MFT/LPCC program is a unique option to pursue clinical licenses as both a marriage and family therapist (MFT) and professional clinical counselor (LPCC) in California and offers a pathway for future doctoral studies.

## DEGREE COMPLETION

### Bachelor of Arts in Psychology (BA PSY)

- ✓ BA PSY degree completion is asynchronous and can be completed 100% online.
- ✓ A robust general psychology curriculum recommended by the American Psychological Association.
- ✓ Coursework covers various subfields of psychology, including clinical, social, and experimental psychology.
- ✓ All 60 AA-T Psychology credits transfer.
- ✓ Ability to transfer in up to 78 credits, with a minimum of 45 transferable units required from regionally accredited institutions.
- ✓ Courses are formatted in 8-week terms, 2 terms per semester.

## Top 10 Reasons to Attend

- 1. Modern Education with 100 Years of Experience:** Earn a BA and/or MS. Train for MFT/LPCC licensure or doctoral work in applied, holistic, innovative, and integrative programs.
- 2. Practitioner's Program – Applied Academics:** Learn from working professionals who practice what they teach. Benefit from our applied academics.
- 3. Accessible Learning with Flexible Scheduling:** Attend online and/or in-person classes. Go at your own pace with afternoon, evening, and weekend classes and flexible, part-time options.
- 4. Comprehensive and Personalized Education:** Our contemporary curriculum, success coaches, and personalized learning and advising enhance your success.
- 5. Within Financial Reach:** Benefit from affordable tuition, financial aid, scholarships, and work-friendly schedules.
- 6. Diverse Student Body:** Join a vibrant, inclusive community that includes career changers and alumni with varied perspectives.
- 7. Exceptional Clinical/Community Training, Applied Experience and Community Service:** Train at top sites, make a difference in your community, for example, by contributing to 20,000+ annual community mental health service hours; high licensure pass rates.
- 8. Alumni Network, Community and Relationships:** Build lifelong connections in a close-knit, supportive community committed to your personal and professional success.
- 9. Academic and Professional Engagement:** Join a network of professionals actively contributing to the field of psychology through leadership, service, clinical work, advocacy, publishing, editing, and presenting.
- 10. Career Opportunities:** Use your psychology degree in industry, business, private practice, community settings, hospitals, schools, medical centers, and more.
