Spotlight on NDNU Alumni Joe Gutierrez

A third-generation Los Gatos resident, Joe attended undergraduate school at the University of California, Santa Barbara, where he majored in English Literature. He holds a Master's in Business Administration from Santa Clara University.

Following a highly successful marketing career for Fortune 500 companies, which included clocking up to 400,000 air miles per year – Joe earned a certificate in Alcohol and/or Other Drugs (AOD) and Co-Occurring Disorders from the College of San Mateo. He returned to school full-time at age 65 to prepare for a second career as a licensed clinical therapist, graduating from NDNU's School of Psychology in 2018.

NDNU Oral History Project: Share Your Story with Us (and PCI)

Every NDNU alum has a story, and the Alumni Association wants to hear yours. With over 25,000 alumni, meeting with each and everyone of you would literally take years to do. That's why we

have partnered with **Publishing Concepts, Inc.** (PCI). Their staff of real, live humans is helping us gather updated contact information, as well as stories about your experiences at NDNU. The latter will be preserved in a book that celebrates the impact NDNU has had on your lives.

Hopefully you have received email and postcard communications from the PCI team with instructions on how to participate. Please note that we have only shared your contact information in conjunction with this project. We have NOT sold this information or otherwise used it for outside marketing purposes.

Questions? Please contact Marta Sniezek at (650) 508-3518 or msniezek@ndnu.edu.
