

## Master of Arts in Educational Therapy

### Join NDNU To Make A Lasting Impact

NDNU is one of only three U.S. schools offering a Master of Arts in Educational Therapy. This program provides a strong foundation and helps develop your skills in assessment and intervention for children and adults with learning challenges.

### Why NDNU?

Earn your accredited degree or certificate in 2-3 years

Experience flexible 16-week courses

Thrive in small online classes that promote interactive, engaging learning experiences

Scholarships and financial aid available

# 100% Online

## Distinctions of the Program

- Learn from experienced faculty with real world expertise
- Tuition is \$876 per unit for a total program cost of \$28,908 (33 units)
- Built for working professionals, the program has a flexible format and schedule. Students may also gain clinical practice experience at local schools and clinics
- We also offer an Accelerated MA Educational Therapy program for teachers who have a SPED credential and have been working in the classroom/schools setting for 3 years

## Program Learning Outcomes

### Learn how to help young and adult students with:

- Difficulties in written language and spelling
- Challenges in study and organizational skills, including time management and executive function disorders
- Dyslexia and other difficulties in reading
- ADHD and other attention issues
- Dyscalculia or difficulties in mathematics

## Application Requirements Include:

- A four-year bachelor's degree from an accredited institution
- A personal interview with the Program Director
- International students should refer to specific admission requirements
- A GPA of 3.0 or higher
- Two academic or professional recommendations
- Experience in schools or classroom settings highly recommended

## About NDNU

Founded over 170 years ago, NDNU is an WSCUC accredited, private, Catholic, co-educational master's and undergraduate degree completion university, located on the San Francisco Peninsula in Silicon Valley. NDNU broadens the perspective and outlook of its students by exposing them to peers with diverse backgrounds, cultures and world views.
